CAMP ED Line

BEST SELLER

ALPINISM, TREKKING

- A fantastic lightweight and packable sleeping bag line
- Araneum fabric on the exterior and polyester on the interior combine with high-quality down for excellent insulation
- Available in 3 different fill weights (500, 300, 150)
- Baffled construction for the 500 and 300 models, stitched-through construction for the 150 model
- Features a superb combination of warmth, weight, and packability

The ED line combines our best fabrics with our highest-quality down insulation and top-level construction for the very best combination of warmth, weight, and packability. The Araneum fabric shell interacts with premium grade white goose down for warm, dry insulation. The tight-fitting cut further reduces the packed size and maximizes heat retention. For the lightest, fastest adventures, the ED line is the way to go.
